

grow 252 is the mid-week program offered at Grand for grades K – 5th grades. Based on the verse Luke 2:52, we seek to help children grow in all ways: spiritually, mentally, socially and physically. We meet from nearly every Wednesday during the school year. We do, however, take a break for the month of December and end the last week of April. This program is designed to focus on Bible teaching but also we give attention to Bible skills such as learning the books of the Bible, genres of the Bible, and sword drills to teach how to use the Bible. Every week we also give emphasis to a missions moment or teaching about heroes of the faith.
